2.1.4.1 is used only for the purpose of achieving inter-operability of the Software with another software program; and

You must not attempt, or procure that a third-party attempts, in any way to remove or circumvent any such TPM, nor apply or manufacture for sale or hire, import, distribute, sell or let for hire, offer or expose for sale or hire, advertise for sale or hire or have in your possession for private or commercial purposes any means the sole intended purpose of which is to facilitate the unauthorised removal or circumvention of such TPM.

4.1 Subject to clauses 4.4, 4.5 and 5 we warrant that the Software will, when properly used and on an operating system, for which it was designed, perform substantially in accordance with the functions described in the Documents for a period of 30 days from the date of installation of the Software ("Warranty Period").

4.2 If, within the Warranty Period, you notify us in writing of any defect or fault in the Software as a result of which it fails to perform substantially in accordance with the Documents, we will, at our sole option, either repair or replace the Software, provided that you make available all the information that may be necessary to help us to remedy the defect or fault, including sufficient information to enable us to recreate the defect or fault.

4.3 The warranty does not apply:

Except as set forth in the above limited warranty, the Software is provided “as is”, with all faults and without warranty, either express, implied or statutory, including, but not limited to the implied warranties of merchantability, satisfactory quality and fitness for a particular purpose, of lack of viruses, and of lack of negligence or lack of workmanlike effort and all such warranties are hereby expressly disclaimed. The Licensor and its affiliated companies do not warrant, guarantee, or make any representations regarding the use, or the results of the use, of the Software or written materials in terms of correctness, accuracy, reliability, correctness, or in terms of your requirements. Also, there is no warranty of title or non-infringement in the Software.
